

WARNING: THE CERTIFICATE - In sporting events of all kinds, in Italy and elsewhere, there is an obligation to document the possession of a physical fitness certificate for all participants and it is not sufficient to show a cycling card issued by a Federation.

For the foreigners the certificate must be made in accordance with the one attached.

GiroSardegna, with the aim of simplifying the implementation of this obligation, has interfaced its enrollment with an external company that collects, validates and retains athletes' medical certificates.

The www.datahealth.it website contains the Service Usage Modes, the PDF files with facsimile certificates (in Italian and English), the **User's Guide** and **FAQs** for each need.

WARNING: The medical certificate must be taken over **by 14 April 2018** - Members who do not proceed through the DataHealth service are required to submit a copy of their medical certificate to the withdrawal of the race number at Hotel Janna 'e Sun of Agrustos-Budoni.
